In these tough times of Covid-19 since there were no grand Ganesh Utsav celebrations, the people who make the Ganesh idols (murtikaar/shilpakaar) were in distress and were bankrupt as there was not much revenue or income this this year. Rotaract Club of K.C. College of Engineering decided to collect some funds for these murtikaars and help them in their state of despair. A donation drive was held and the word about the drive was spread across all the Rotaract Clubs and many people, Rotaractors, Non- rotaractors, Alumini donated their best share for this initiative. In a span of 8 days there were about 100+ donors and a total sum of Rs 22,500/- was collected. On 22 August 2020, on the account of Ganesh Chaturthi the entire amount was used to buy 36 grocery kits which contained necessary ration like Aata, Rice, Oil, Turmeric Powder, Dal, Coriander, Salt & Chilli Powder which would last for at least 2 months. This was sent to 36 murtikaar families in Mira Road – Bhayandar areas.

During the difficult times of pandemic, everyone, everywhere is facing major issues and so are the horses in Matheran since the lack tourism is taking a toll on their health and even their food supply. In such a time, **Rotaract Club of Ambernath** came up with a Community Service initiative called 'Fodder Feast'. Their project was about collecting a donation to purchase fodder for the horses in Jummapatti, Matheran. Rotaract Club of K.C. College of Engineering instantly geared up and took up the donation drive under their sleeves too. The Project Chairpersons collected a good sum of Rs 1401/- for this initiative. And the donations were then passed as it is to RC Ambernath on 12th of July.

**Feedback:** The money donors were really satisfied and contended with the donation made by them. The teacher mentors of the college also appreciated the new initiative of RC Ambernath.
