A Report on Beach Cleanup held on 18th February 2023.

Clean beaches are essential to healthy coastal habitats and the well being of people who visit them. So, NSS Unit of K.C. College of Engineering Management Studies and Research participated in a beach clean up event at Prabhadevi beach, on Saturday, February 18th 2023. The event commenced at 9.30 am with instructions given to the volunteers. Around 31 active NSS Volunteers went in for cleaning a portion of Prabhadevi beach, ridding it from all the garbage that had washed up on the shore. The experiences at these clean-ups have a significant impact on the volunteers allowing them to open their eyes to a new perspective. This led to a successful and rewarding cleanup.
