

EXCELSSIOR EDUCATION SOCIETY'S
K. C. College of Engineering & Management Studies & Research
Mith Bunder Road, Kopri, Thane (E)

Cycle - 2 NAAC Accreditation 2024

Criteria 7.3: Institutional Distinctiveness

2. Community Engagement

Submitted to

National Assessment and Accreditation Council

Excelssior Education Society's
K. C. College of Engineering and Management Studies and Research
(Affiliated to the University of Mumbai)
MithBunder Road, Near Hume Pipe, Kopri, Thane (E)-400603

Criteria 7.3: Institutional Distinctiveness

1. Holistic Development of students

Institute level club

Excelssior Education Society's
K.C.College of Engineering and Management Studies and Research
(Affiliated to the University of Mumbai)
Mith Bunder Road, Near Hume Pipe, Kopri, Thane (E)-400603

Institute Level Club Purpose

Sr. No	Institute Level Club	Purpose
1	Eco Club	Eco Club is to cultivate environmental stewardship, sustainability, and a deeper connection to nature among its members and the wider community. It aims to raise awareness about environmental issues, promote eco-friendly practices, and inspire action towards a greener and more sustainable future. By engaging in activities such as conservation projects, waste reduction initiatives, and environmental education campaigns, Eco Clubs empower individuals to become advocates for the planet, fostering a sense of responsibility and care for the natural world. Additionally, participation in Eco Club activities can lead to personal growth, a sense of fulfillment, and a stronger sense of community as members work together towards a common goal of preserving and protecting the environment for future generations
2	Youth Red Cross (YRC)	Youth Red Cross (YRC) is to promote humanitarian values, health, and social welfare among young people. It aims to empower youth to actively engage in activities that contribute to the well-being of society, including disaster response, health promotion, and community service. YRC fosters a sense of compassion, empathy, and global citizenship among its members, encouraging them to make a positive difference in the lives of others while also nurturing their personal development and leadership skills. Through participation in YRC, young people become agents of positive change, creating a more compassionate and inclusive world.
3	National Service Scheme (NSS)	National Service Scheme (NSS) is to instill a sense of civic responsibility, social consciousness, and empathy in young people. It seeks to develop well-rounded individuals who actively contribute to the welfare of society through community service, while also promoting personal growth, leadership skills, and a deeper understanding of societal issues. Through participation in NSS activities, volunteers learn the value of collaboration, empathy, and the importance of serving others, leading to positive transformations both within themselves and in the communities they serve.
4	Rotaract club	Rotaract club empowers young adults to become leaders in their communities through service, professional development, and networking. It aims to cultivate well-rounded individuals who are committed to making a positive impact locally and globally while fostering personal growth and meaningful connections with others. It enhances leadership quality and make them more compassionate human beings.

A Report for Annual Sports 2023

KCCEMSR Student Council organized Three Day Annual Sports Meet 'Xavion' for Intra collegiate events 2023 on 3rd, 4th, & 5th of January 2023. Venue for the events was college Gymkhana, College Quadrangle (Volleyball court) & College Ground. 'Xavion' is the title name for Our Sports Meet. Inauguration was done on 3rd of January 2023 in presence of Students Council members Sports Coordinators & Teaching Staff. Sports events were conducted in 19 different categories, which involved students from all the branches and their respective divisions.

It's a great way to encircle the year with a few activities, some of which are fun while others are competitive. This is a chance for students of KCCEMSR to have a passion for outdoor sports and team games to shine. Sports day includes various games competitions including indoor and outdoor games. Indoor games include Table Tennis, Badminton, Chess, and Carom etc. This year one more event i.e. Arm Wrestling has been introduced with. Outdoor games include activities of football, badminton, cricket, volleyball, throw ball, kabaddi, etc. Students have shown active participation in the entire sports event. Group of students were acting as mentors to the team.

The outcome of the event was to inculcate the quality of leadership in a diverse team through various events organized as a part of 'Xavion'.

“Playing sports is all about playing from your heart, having fun and enjoying the game.”

PRESENTING YOU

SPORTSLANZA

KNOW THE UNKNOWN

0:09-INTRODUCTION 2:03

The sport that truly combines brains with brawn – chess boxing. This geeky sport, invented fairly recently in 2002, in Berlin, was inspired by Enki Bilal's comic Cold Equator.

CHESSBOXING

As the sport's name suggests, participants switch between boxing matches and chess matches – to be specific, four-minute rounds of chess and three minute rounds of boxing, with a minute to rest in between. Players can go on for as many as eleven total rounds (six chess, five boxing)

PRESENTING YOU

SPORTSLANZA

KNOW THE UNKNOWN

INTRODUCTION

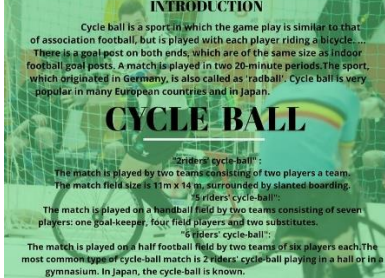

Cycle ball is a sport in which the game play is similar to that of association football, but is played with each player riding a bicycle. There is a goal post on both ends, which are of the same size as indoor football goal posts. A match is played in two 20-minute periods. The sport, which originated in Germany, is also called as 'radball'. Cycle ball is very popular in many European countries and in Japan.

CYCLE BALL

"2riders' cycle-ball":
The match is played by two teams consisting of two players a team. The match field size is 11 m x 14 m, surrounded by slanted boarding.

"5riders' cycle-ball":
The match is played on a handball field by two teams consisting of seven players: one goal-keeper, four field players and two substitutes.

"6riders' cycle-ball":
The match is played on a half football field by two teams of six players each. The most common type of cycle-ball match is 2 riders' cycle-ball playing in a hall or in a gymnasium. In Japan, the cycle-ball is known.

PRESENTING YOU

SPORTSLANZA

KNOW THE UNKNOWN

INTRODUCTION

Juggling is a competitive sport that combines juggling with jogging. People who juggle are called jugglers. The most common objects used in juggling are juggling balls, or sometimes juggling clubs, but any set of three or more objects can be used.

JOGGLING

However, in competitions or long term events, most jugglers prefer to use palm-size beanbags stuffed with birdseed because they are light enough for long distances but heavy enough to withstand winds. The juggling is usually done in a three-ball cascade pattern, which is efficient and uses the least energy. Jugglers say that the arm motions of juggling with three objects feels natural with the action and pace of jogging.

SPORTSLANZA

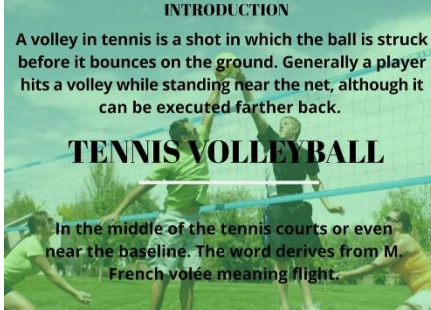

KNOW THE UNKNOWN

INTRODUCTION

A volley in tennis is a shot in which the ball is struck before it bounces on the ground. Generally a player hits a volley while standing near the net, although it can be executed farther back.

TENNIS VOLLEYBALL

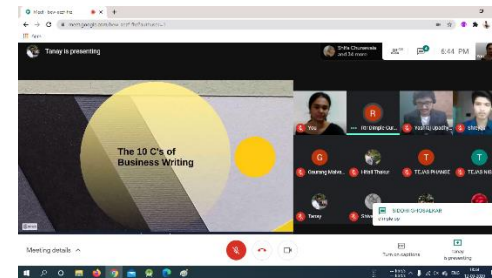

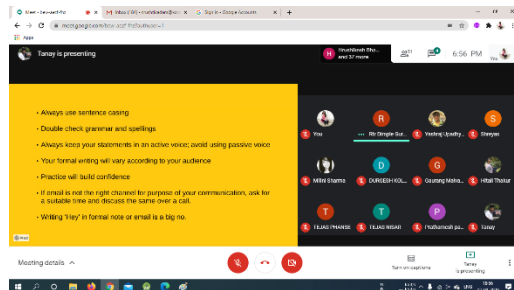

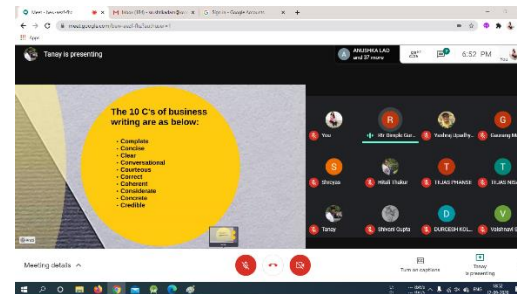

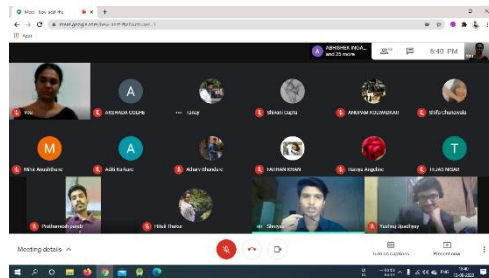

In the middle of the tennis courts or even near the baseline. The word derives from M. French volée meaning flight.

A Report for Annual Sports 2020

KCCCMSR Student Council organized four Day Annual Sports Meet 'Xavion' for Intra collegiate events 2020 on 24th, 25th, 26th & 27th January. Venue for the events was college Gymkhana, College Quadrangle (Volleyball court) & College Ground. 'Xavion' is the title name for Our Sports Meet. Inauguration was done on 24th Jan in presence of Our Vice Principal, Heads of all Department and Sports Coordinators. Sports event were conducted in 20 different categories, which involved students from all the branches and their respective division.

It's a great way to en circling the year with a few activities, some of which are fun while others are competitive. This is a chance for students of KCCCMSR to have a passion for outdoor sports and team games to shine. Sports day includes various games competition including indoor and outdoor games. Indoor games include Table Tennis, Badminton, Chess, and Carrom.etc. Outdoor games include activities of football, badminton, cricket, volley ball, throw ball, kabaddi, etc. student show active participation in the entire sports event. Group of students were acting as mentors to team.

The outcome of event was to inculcate quality of leadership in diverse team through various events organized as a part of 'Xavion'.

Reflexionz is the annual cultural festival which was celebrated for three days this year, starting from 22nd January to 24th January. For the first time in the history of Reflexionz, inter-committee events were organized, creating a platform for everyone and sending a message of "teamwork".

For the first day, the inauguration ceremony was started at 11:00am with aarti and blessings of Lord Ganesha. Our Principal, Dr. V. N. Pawar, Managing Director, Dr. Sai Kiran Khanna, Vice Principal, Prof. Rita Shaktivel, along with the staff members and the Student Council initiated the lighting of the lamp. This was followed by speeches from the Joint Secretary Harsh Kanzariya, Cultural Head Amanjeet Singh

Malhotra, and the dignitaries, Dr. V. N. Pawar and Dr. Sai Kiran Khanna. The first major event on day one was "street play and poster making competition" performed in association with the National Service Scheme (NSS) KCCEMSR.

Day two consisted of Film Making Workshop by India Film project as one of the major attractions. Ms. Afif Siddique and Mr. Ritam Batnagar were the guest speakers. This was followed by Aspire-2-Inspire in association with E-Cell KCCEMSR which was an event curated for inspiring young entrepreneurs by Mr. Vinayak Kanchan and Mr. Sumit Pawar. In the evening, crowd favorite events like group dance competition and fashion show kicked off with over ten colleges as participants. They were judged by the likes of Ms. Puja Jha, Ms. Shivangi Gautam, Ms. Radhika Sawant and Mr. Rohit Mavle followed by prize distribution.

Day three saw final rounds of events like treasure hunt, 24 hours challenge and nationwide short film making competitions, making the cultural event a truly power-packed one. The evening saw the eagerly awaited EDM night powered by Time Out, Vh1 and MTV Beats with nuanced performances from Sam Mayekar X Steel Spirit and Revolt. Reflexionz had 10,000+ participants across the nation which made this festival the new benchmark for future versions.

Reflexionz was powered by Vh1 and MTV Beats, Datsun in association with India Film Project, E-Cell KCCEMSR, NSS-KCCEMSR, Story Mirror, hygiene partner P&G, coupons partner Metro coupons. We sincerely thank every sponsor for their support during the three days of this mega event.

Expert Lecture on Universal Human Values

Date: 03-05-2023

Time: 11:30 AM TO 1:00 PM

Venue: Seminar Hall (3rd Floor)

Target Audience: FE Students

Resource Person: Dr.Pooja Rai Pradhan, COO, KCCEMSR

Total Participants: 180

Report of Event:

Expert Lecture on Universal Human Values was organized by the UHV cell, K. C. C.M.S.R, Thane ON Wednesday 03/05/2023 at 11:30 am in Seminar Hall (3rd Floor).

Report on Human Values Session for First-Year Engineering Students on the Topic of "What is Happiness?"

On 3 May 2023, a human values session was conducted by KC College Of Engineering for first-year engineering students on the topic of "What is Happiness?" The session aimed to help students reflect on the concept of happiness and gain a deeper understanding of its meaning, as well as explore the relationship between happiness, money, and self-awareness.

Objectives:

- To help students reflect on their understanding of happiness and its meaning in their lives
- To challenge the common belief that money is the key to happiness
- To explore the importance of self-awareness in achieving happiness

Methodology:

The session was conducted by Dr. Puja Rai Pradhan (COO and an expert in UHV sessions), who began by introducing the topic and asking students to share their thoughts on what happiness means to them. This was followed by a discussion on the role of money in happiness, and how after a point money just becomes a piece of paper and does not contribute to happiness. Then, the students were made aware of the International Day of Happiness which is observed on March 20, and how being happy and mindful leads to more peace in the world and overall, a more calm and solemn place for humans to live.

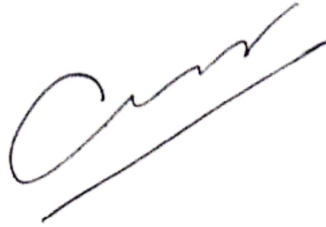

The session then shifted towards the importance of self-awareness in achieving happiness. The facilitator presented various exercises and techniques that students could use to become more self-aware, such as mindfulness and self-reflection. Students were told the importance of meditation and exercise and how it positively affects the brain. The four ashrams (Bharmacharya, Grahastha, Vanaprastha, Sannyasa) were discussed with students, and then an interactive session was conducted on what they learned from the UHV session.

Outcomes:

The human values session was well-received by the first-year engineering students, who found it to be informative and engaging. Through the session, students were able to gain a deeper understanding of the meaning of happiness, and the difference between materialistic happiness, borrowed desires and real inner peace. Additionally, the exercises and techniques presented in the session helped students to become more self-aware and reflective, which they felt would be beneficial not only for their personal lives, but also for their academic and professional careers.

Conclusion:

Overall, the human values session on the topic of "What is Happiness?" was a valuable learning experience for the first-year engineering students at KC College of Engineering. It provided them with a space to reflect on their understanding of happiness, and to explore the importance of self-awareness in achieving it.
