Intellectual Property is the property which comes from the Human Brain and for which the Government gives protection. To explain more about it and how can one keep their Intellectual Property secured in these times of digitalized world, Adv Anand was invited. Adv. Anand Mahurkar is LLB from Savitribai Phule Pune University and a member of the Bar Council of Maharashtra and Goa. He is a registered Patent Agent of the Patent Office of India. He has also done his M.E. in Manufacturing Systems from BITS, Pilani, Rajasthan. He also holds a PG Diploma in Cyber Forensics, Cyber Crimes, Cyber Security and Cyber Law from IFS, Pune. He has more than 15 years of overall experience including Legal industry, academics and manufacturing. His practice areas include Corporate Law, Intellectual Property Laws, Cyber Laws, Startup Consultancy, Technology Protection, Corporate Transactions, Contracts/Agreements and Technology Licensees/Agreements. The workshop started with the warm welcoming of the college dignitaries, authorities, teachers and the guests by Rtr. Rinku Kalsi. Then, the introduction of the speaker was done after which the guest speaker addresses the attendees. Later, a question and answer session was held where Adv. Anand Mahurkar answered the questions of all the participants patiently.

Feedback: The workshop held received lots of appreciation from the college dignitaries and faculty for its conduction and proper organization. The attendees also found it useful and very informative. They liked the unique and quite rarely explained topic of Intellectual Property Rights.

"It was a very informative workshop. IPR is something everyone should be aware of and Adv. Anand did a great job in explaining it in such a detailed and simplified way."

-Rtr. Srushti Kadam (Club Rotaractor)

"The overall session was good and has a different concept from daily life."

-Rtr. Sheetal Walse (Club Rotaractor)

"We would like to attend more such a webinar."

-Prof. Suman Bhujbal (College Faculty)

"It was quite informative."

-Prof. Dr. Shobha Tyagi (College Faculty)

The project conveyed the message that:

Intellectual property is a key aspect for economic development.
